### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art made of record has failed to suggest either singly or in combination a novel do it yourself cabinet. The applicant has disclosed the use of a foldable frame being a right parallel piped and having a top, bottom, two sides, a back and a front comprising a front frame; a rear frame; and two foldable side panels pivotally attached between the two frames and having a front board with a top edge and a bottom edge, a rear board with a top edge and a bottom edge, multiple hinges mounted between the front and rear boards and multiple base holes formed in the top and bottom edges of the front and rear boards; multiple hinges between the front board and the front frame; and multiple pop-it fasteners mounted between the foldable frame and the top and bottom panels, wherein each pop-it fastener comprises: a countersunk tube made of resilient material and pressed into one of the head holes in one of the panels; and a stud engaging the countersunk tube and having a threaded rod that screws into one of the base holes in corresponding one of the foldable side panels and a connecting head pressed into the countersunk tube.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The following patents are cited to further show the state of the art with respect to a do it yourself cabinet: U.S Pat. No. 5664854, us006039419a, US006158831A, US006648144B2, US006722750B2, 6502909, 5662399, 6430778, 5906421, 6561601.
